PRIORITY: HIGH

...I'd like to be able to use the app with basic functionality as a guest user without signing in so that I can at least try out without providing personal information.

As a new user...

PRIORITY: HIGH

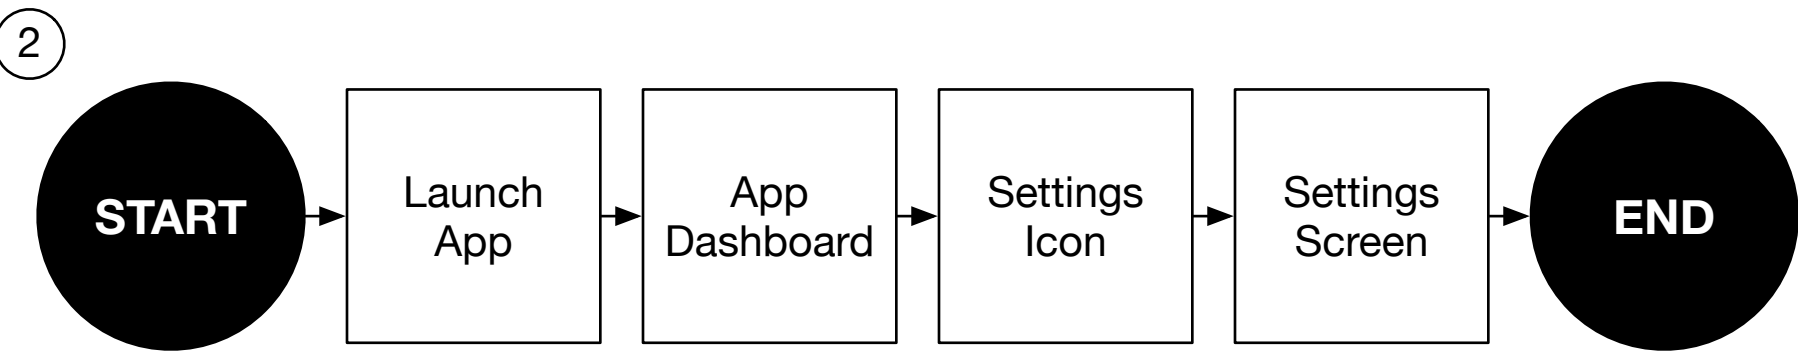

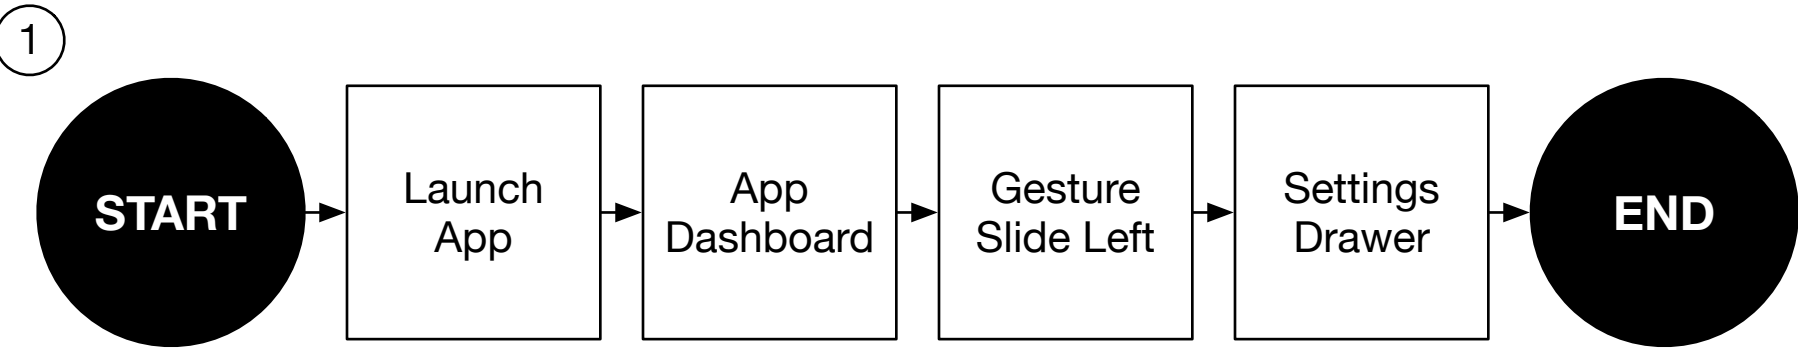

...I want to be able to see a visual on boarding process so that I can understand how to work within the app.

As a returning user...

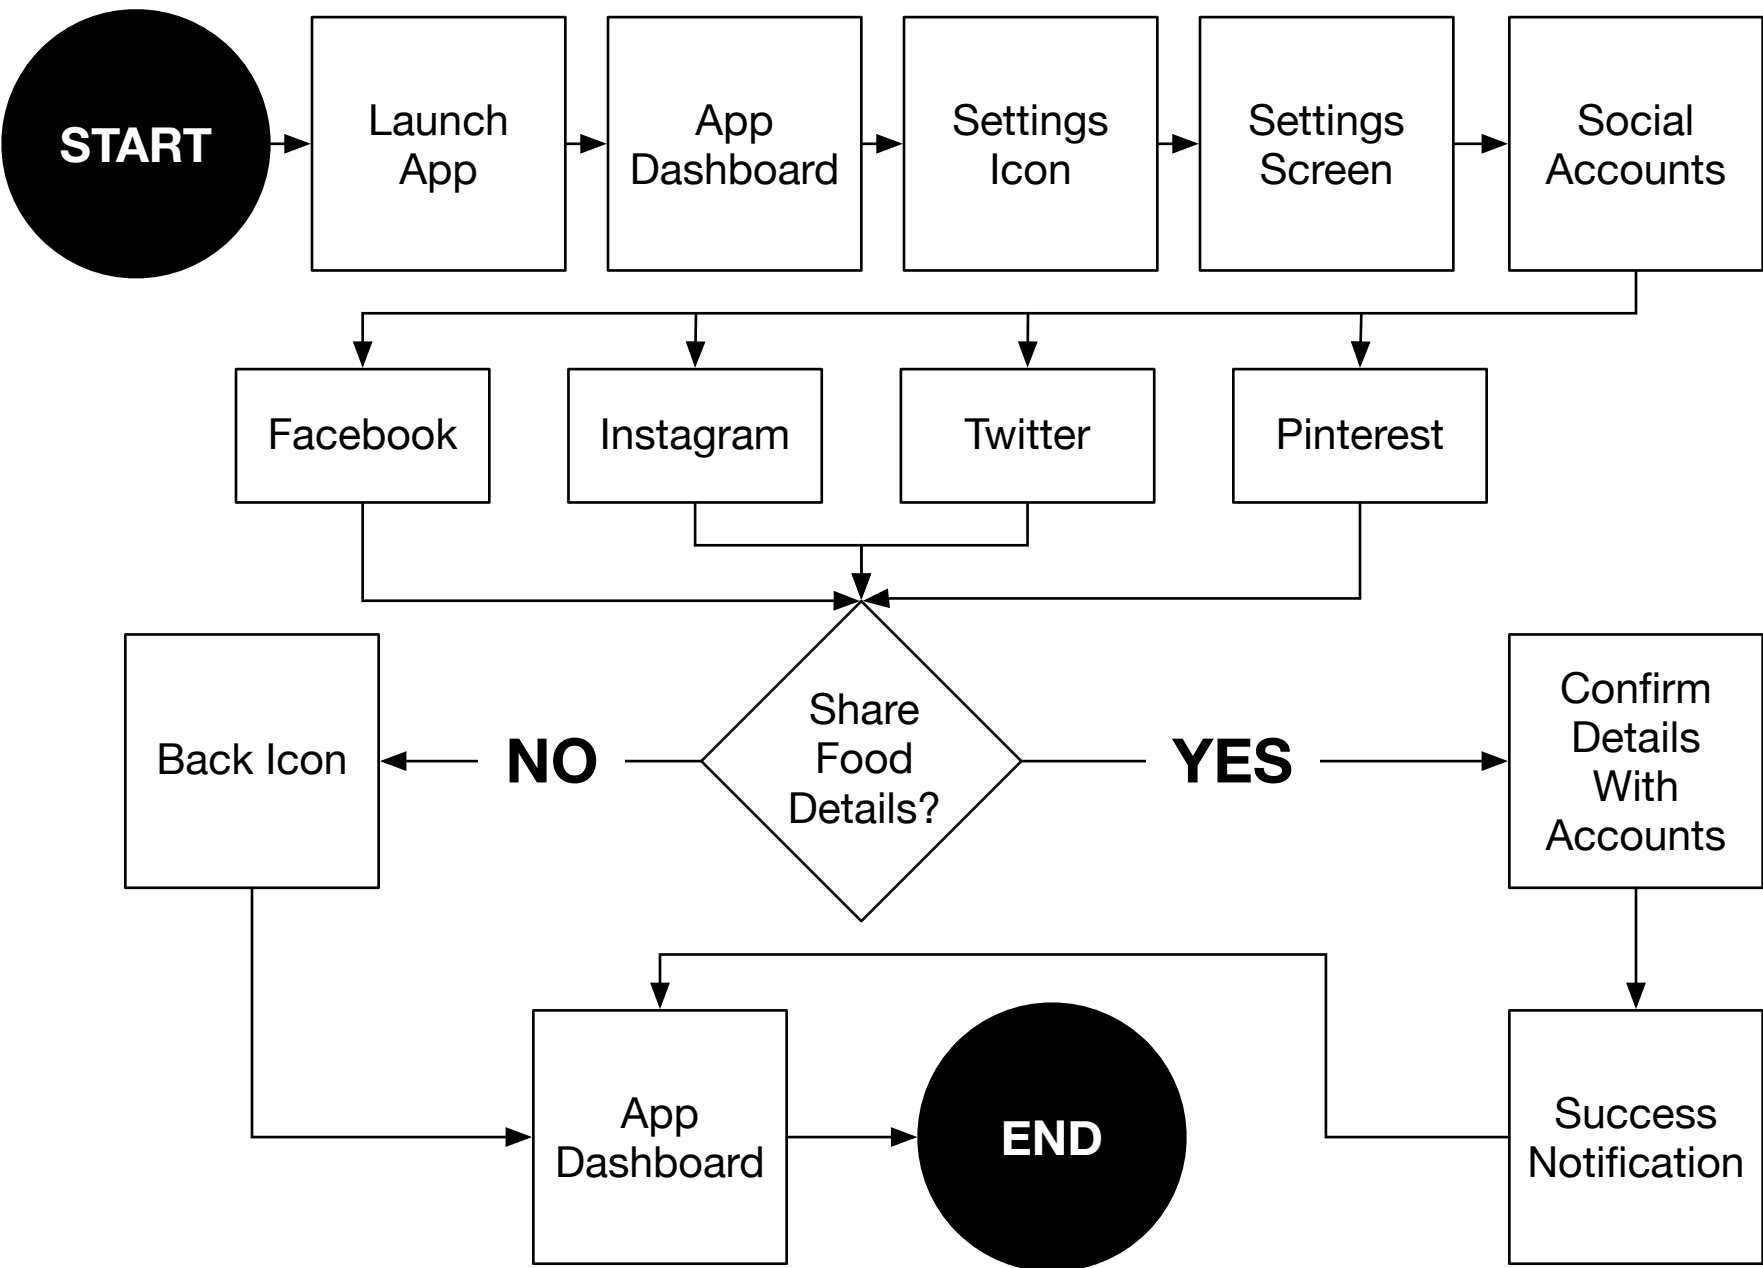

PRIORITY: MEDIUM

...I want to be able to access and view my settings at all times so that I can make changes/refinements easily.

PRIORITY: MEDIUM

...I'd like to link my social media accounts to the app in a personalized settings menu so I can share my recipes and posts with ease.

PRIORITY: MEDIUM

...I want to be able to see my feed showing different posts, recipes of the day so I know what is trending.

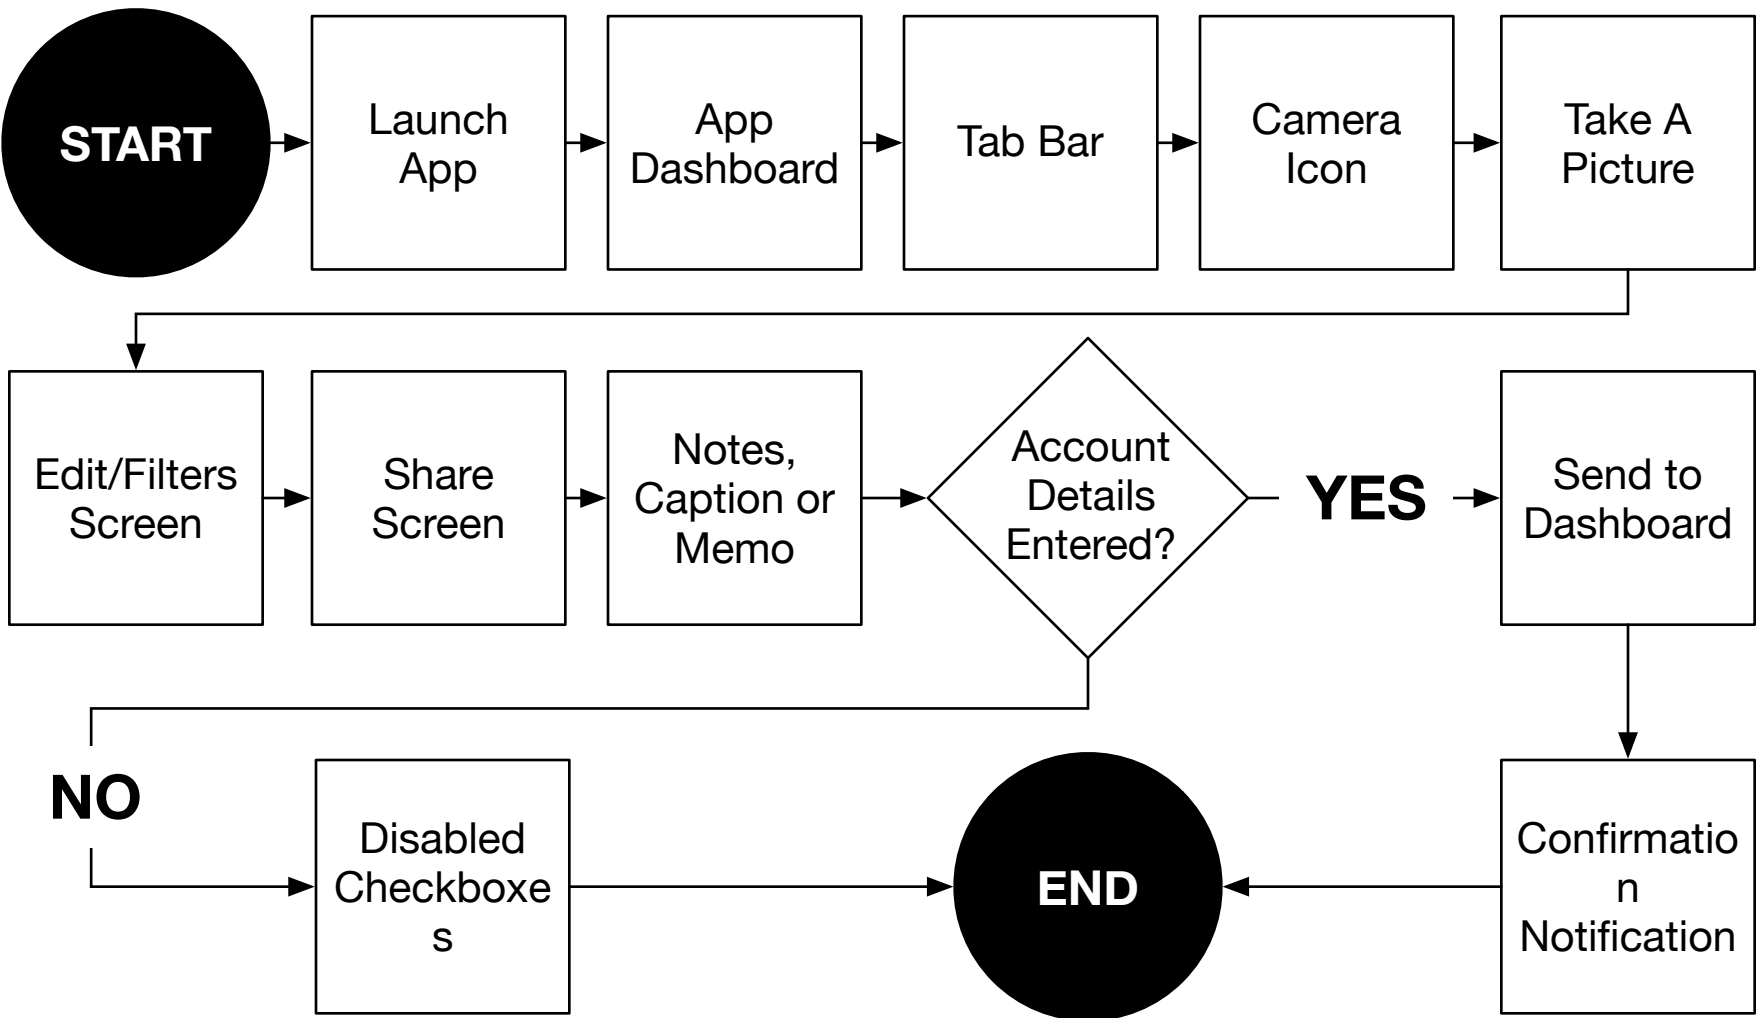

PRIORITY: HIGH

...I want to be able to use the mobile device camera so I can photograph what dish I'm about to eat.

PRIORITY: HIGH

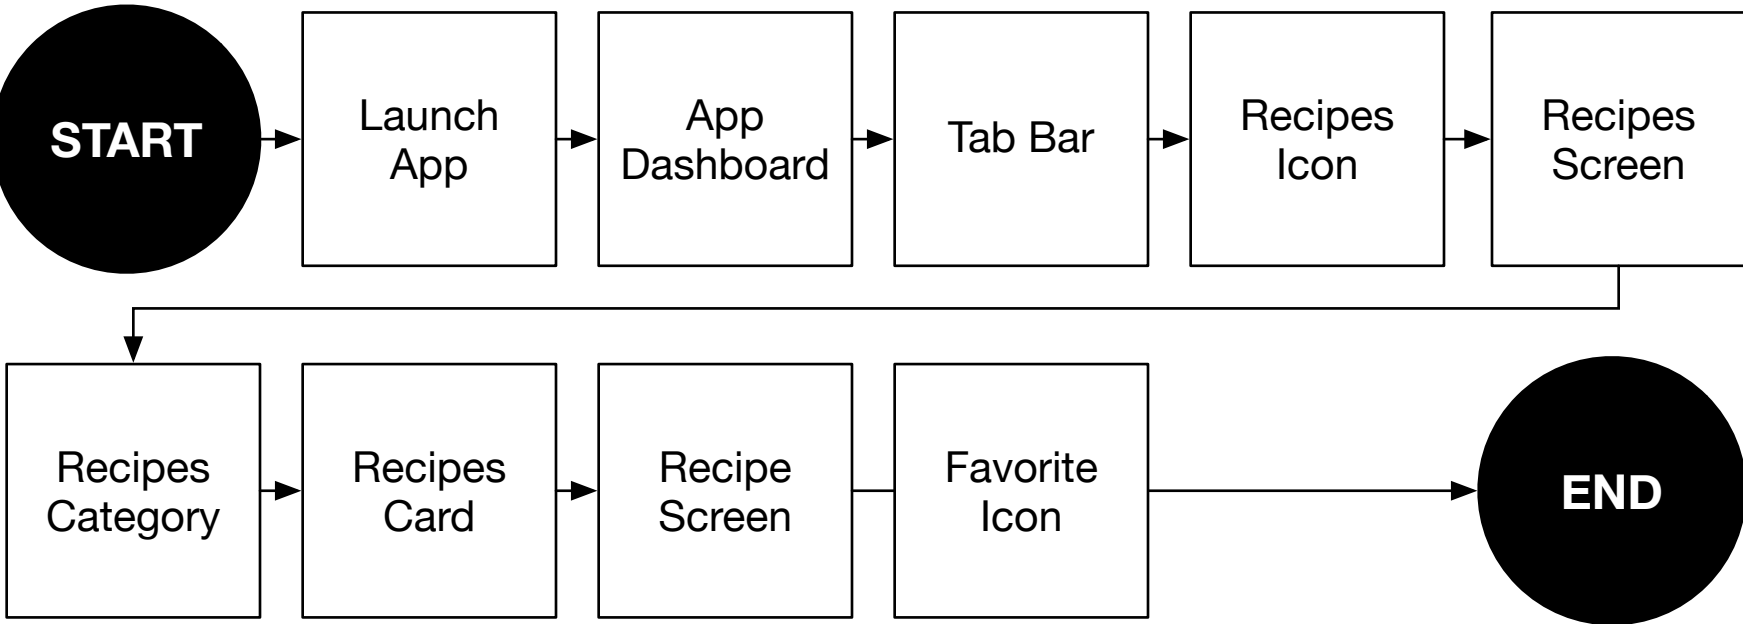

...I want to be able to tag my photographs and post in different social media platforms so I don't have to do it manually later.

As a returning user...

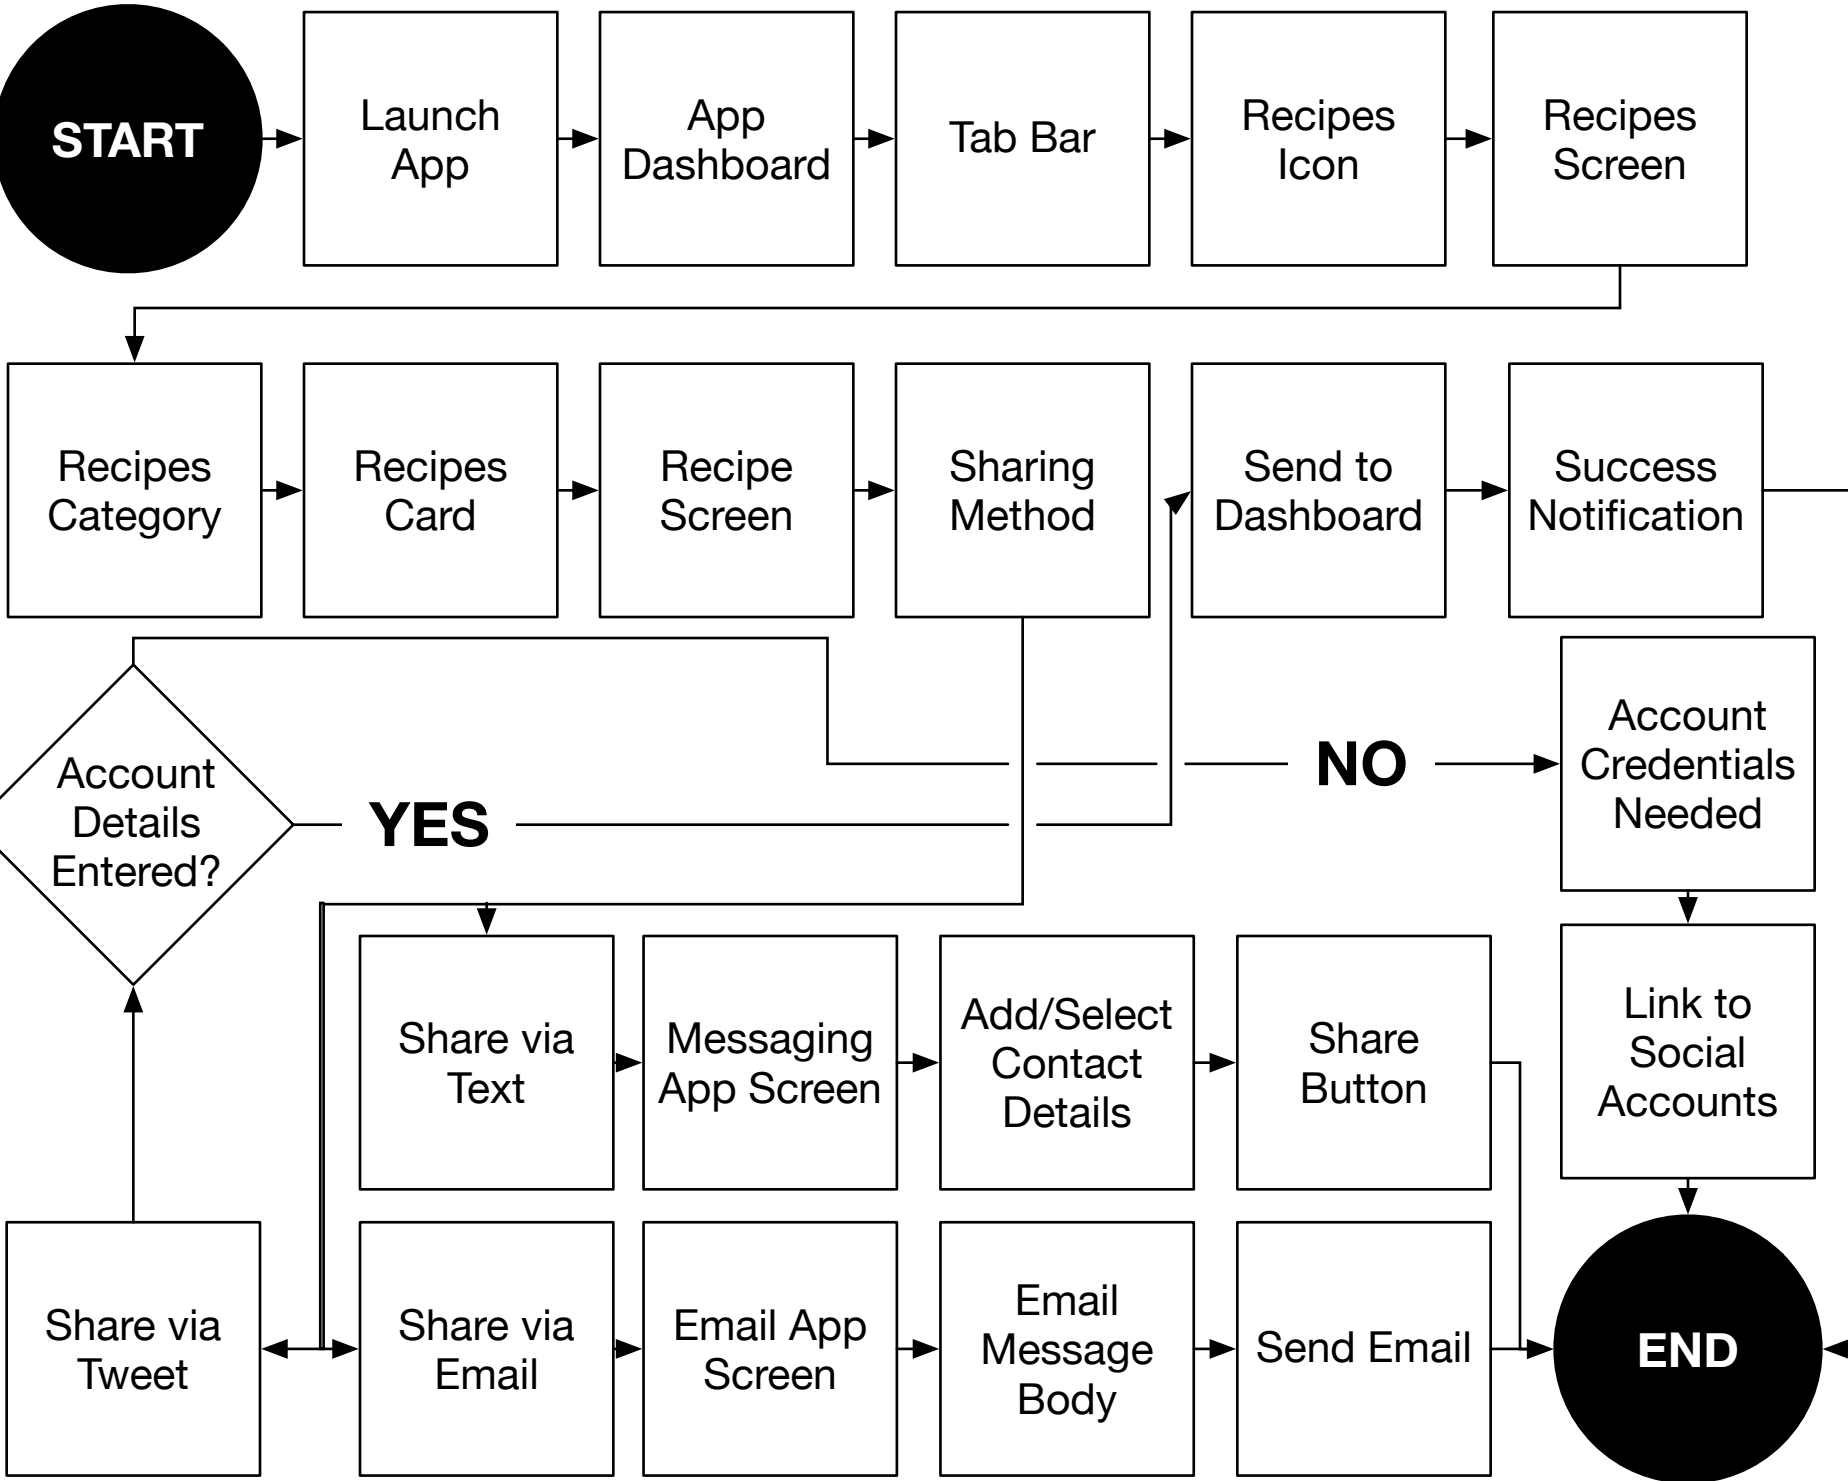

PRIORITY: HIGH

...I'd like to select individual recipes based on different criteria (i.e tags, categories, etc.) and mark them as a favorite so that I can keep track of them and not lose them.

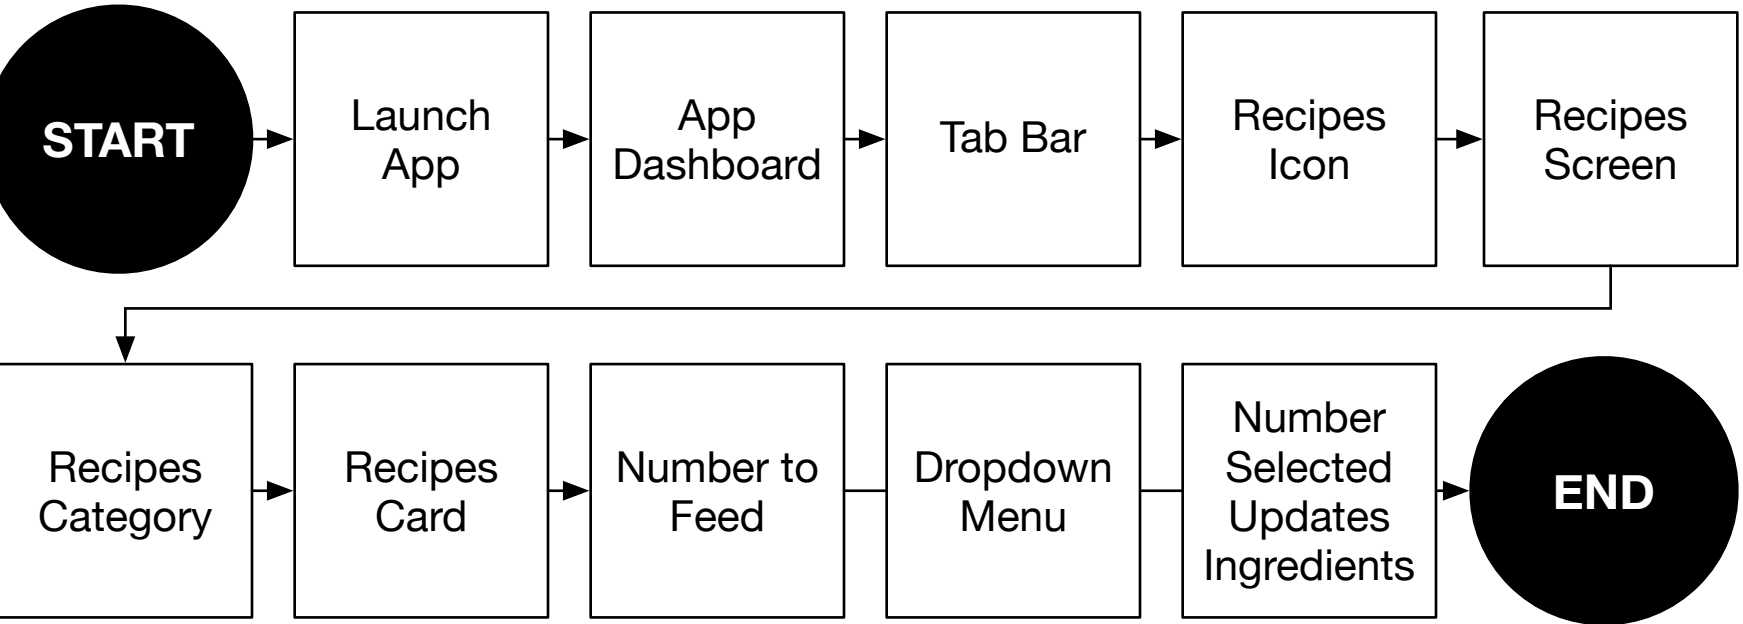

PRIORITY: HIGH

...I'd like to be able to share the recipes I find via text, tweet, or email so that I can share how excited I am about a recipe.

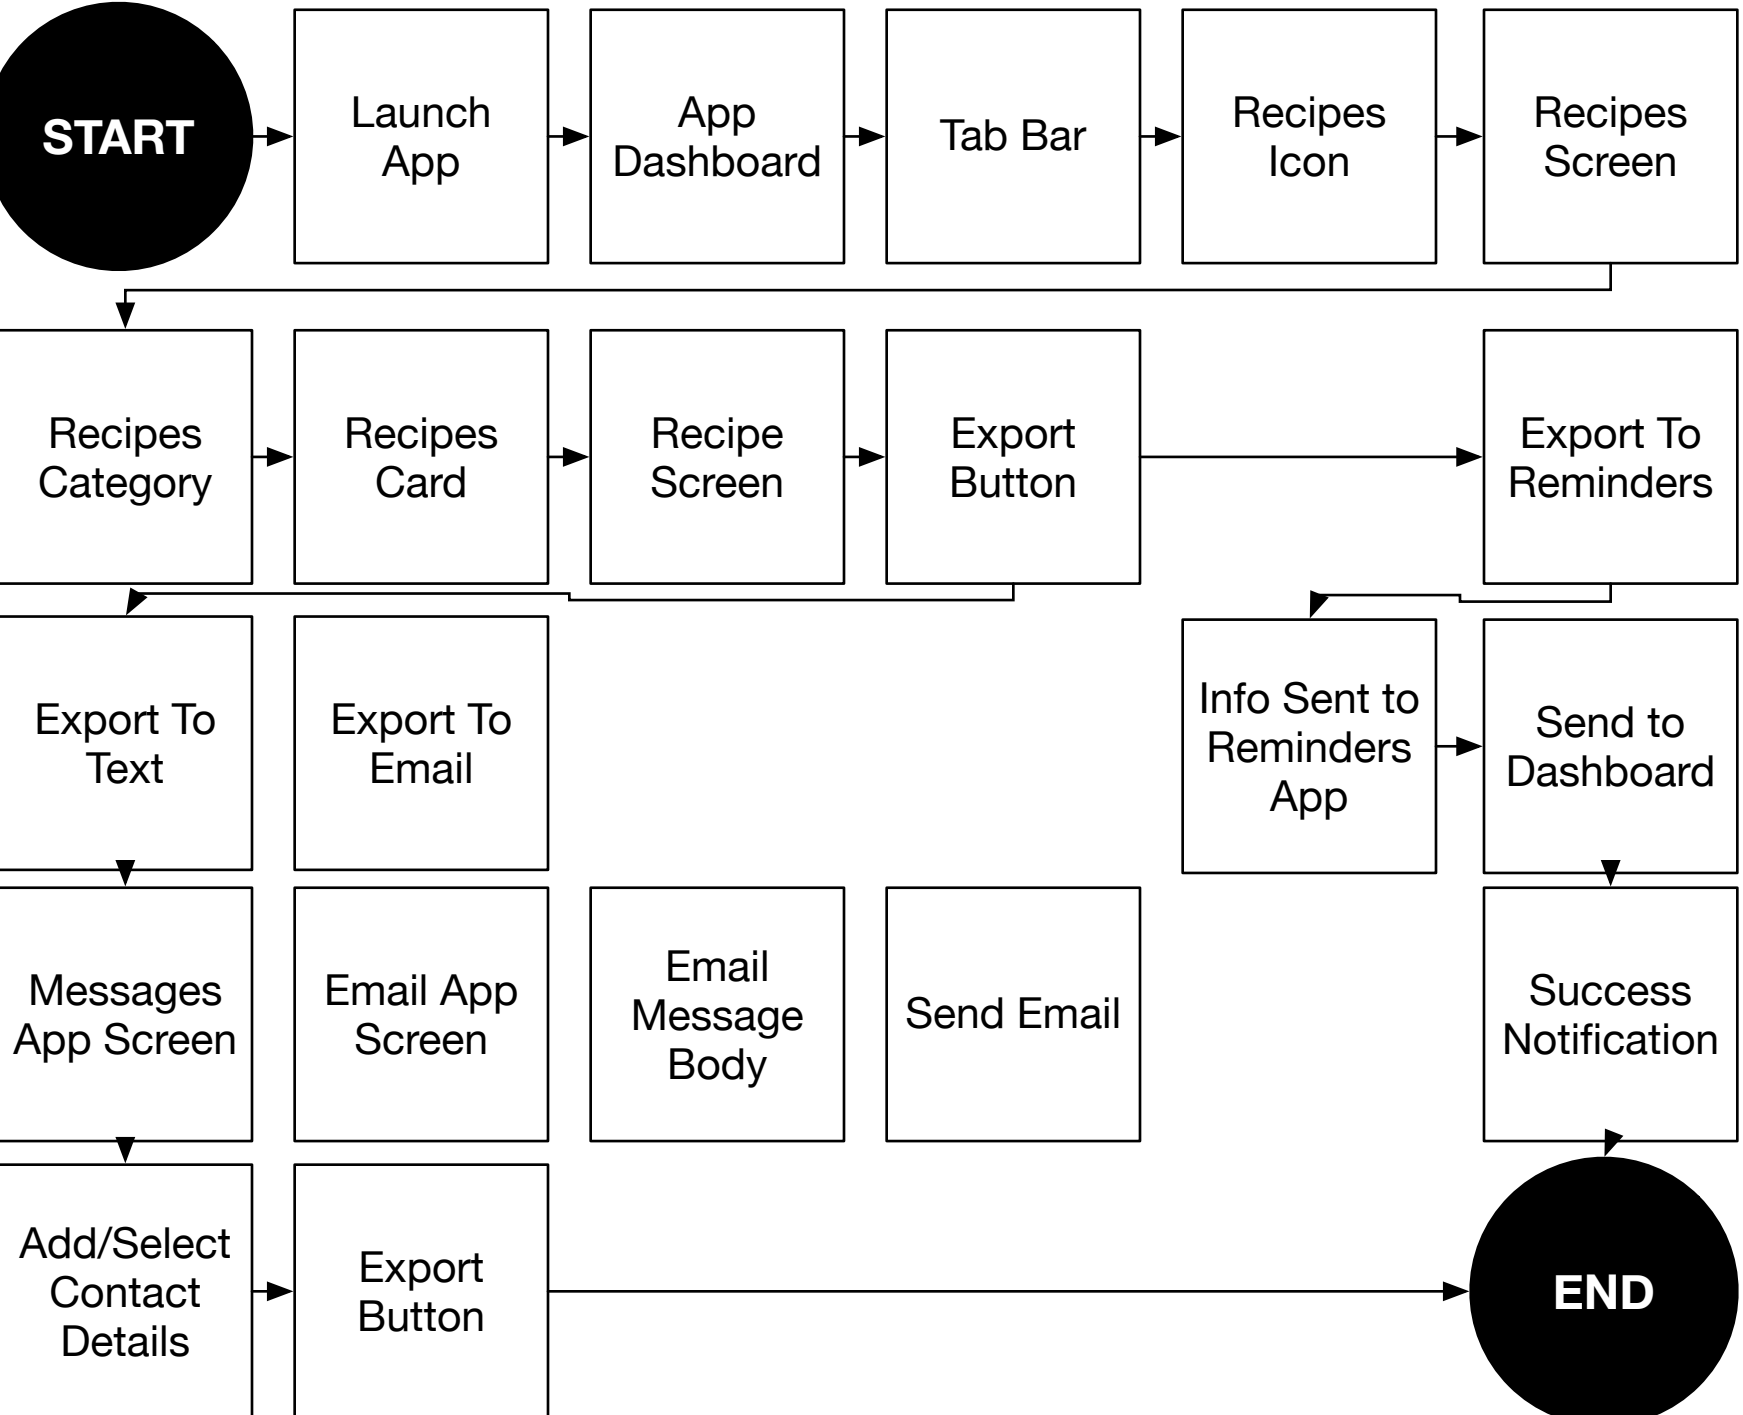

PRIORITY: HIGH

...I want to be able to view a recipe, and scale the ingredients up or down based on how many I'm cooking for, so I know how much ingredient amounts I'll need.
