Number	Role	Task	Importance
		Unnamed Food App - DEDICATED iOS APP	
	As a new user...		
1	" " " "...	...I want to be able to log in with a username and password so that I can return to the app at any time and view my personal configurations and settings.	High
2	" " " "...	...I'd like to be able to use the app with basic functionality as a guest user without signing in so that I can at least try out without providing personal information.	High
3	" " " "...	...I want to be able to see a visual onboarding process so that I can understand how to work within the app.	High
4	" " " "...	...I want to be able to access and view my profile at all times so that I can make changes/refinements easily.	Medium
5	" " " "...	...I'd like to be able to have a goals survey so the app can tailor itself to what I'd like to do with it.	Medium
6	" " " "...	...I'd like to link my social media accounts to the app in a personalized settings menu so I can share my recipes and posts with ease.	Medium
		Note: These user stories are organized by planned features of the app. They still follow priority.	
	As a returning user...		
		GENERAL	
7	" " " "...	...I want to be able to search for something on any screen I interact with so I can find what I'm looking for easily.	Low
8	" " " "...	...I want to be able to speak to Siri or comparable mobile AI to ask questions, get recipes, look up ingredients, etc so that if my hands are busy, I can still use the app.	Low
9	" " " "...	...To have a participate in contests, or streaks where I collect badges, coupons for completion so that I can have some positive reinforcement that I'm making good food decisions.	Low
		DASHBOARD	
10	" " " "...	...I want to be able to see my feed showing different posts, recipes, of the day so I know what is currently trending.	Medium
11	" " " "...	...I want to be able to personalize my dashboard to show different items so that if my interests change from time to time, I'm not locked into a specific layout.	Medium
12	" " " "...	...I want a customizable blog/feed section to view food related posts from myself and followers, and who I'm following so I can keep up with emerging trends.	Low
		CAMERA	
13	" " " "...	...I want to be able to use the mobile devices camera so I can photograph what dish I'm about to eat.	High
14	" " " "...	...I want to be able to tag my photographs and post in different social media platforms so I don't have to do it manually later.	High
15	" " " "...	...I want the camera to be able to use different filters so that I can add more visual appeal to my food photography.	Medium
		RECIPES	
16	" " " "...	...I'd like to select individual recipes based on different criteria (i.e tags, categories, etc.) and mark them as favorites so that I can keep track of them and not loose them.	High
17	" " " "...	...I'd like to be able to share the recipes I find via text, tweet, or messaging app so that I can share how excited I am about a recipe.	High
18	" " " "...	...I want to be able to view a recipe, and scale the ingredients up or down based on how many I'm cooking for, so I know how much ingredient amounts I'll need.	High
19	" " " "...	...I want to be able to dump all ingredients to a list so that I can make shopping easier.	High
20	" " " "...	...I want to be able to choose a recipe based on occassion such as date night, summer evening, taco tuesday so that I can take some guesswork out of the food selection.	Medium
21	" " " "...	...I'd like to input common ingredients and have a random selection of recipes that meet that criteria so that finding a recipe from ingredients that I already have will be easier.	Low
22	" " " "...	...I want to be able to submit a recipe of my own for review so that I can contribute to the growing archive of recipes available.	Low
23	" " " "...	...I want to the app to have an egg timer functionality so that I can keep up with the requirements of the recipe.	Low
24	" " " "...	...I'd like to be able to rate other recipes so that I can help other users based on my success or failure.	Low
		CALENDAR	
25	" " " "...	...I want to be able to create a meal planning calendar so that I can take some guesswork out of eating healthier.	High
26	" " " "...	...I want to be able to assign recipes to a specific day, week, etc, and mark them as reoccuring so that if I enjoy the same things, I can plan for it in the future.	Medium
27	" " " "...	...I want to be able to see my food choices on either the apps own internal calendar, or the devices internal calendar so that I can visually see what's for dinner.	Low
28	" " " "...	...I want to able to set reminders for myself of what's for dinner daily so that I can keep track of my daily meals.	Low
